Dr. Mueller Returns to San Pedro!

We are happy to announce that Dr. Mueller has returned and is now accepting patients in our San Pedro office! Dr. Mueller is in San Pedro on Monday afternoons and Friday mornings. To make an appointment with her, please give us a call at (310) 832-2369.

H1N1 (Swine Flu) Vaccine

The H1N1 influenza (sometimes called Swine Flu) is caused by a new strain of influenza virus. Like other flu viruses, the H1N1 spreads from person to person through coughing, sneezing and sometimes through touching objects contaminated with the virus.

Additional information can be found at: <http://cdc.gov/h1n1flu>

Complete Women Care is now offering the H1N1 vaccine to all patients (pregnant and non-pregnant patients) as well as their spouses, free of charge, with no co-pay.

All other non-patients can receive the vaccine for \$25.00.

Please contact any of our offices for details and to schedule your appointment.

CWC Gives Back

Complete Women Care would like to invite our beloved patients to help us in donating to a very worthy organization this holiday season.

Interval House is an extraordinary organization that serves as crisis shelters and centers for victims of domestic violence throughout the communities of Seal Beach, Long Beach, Los Alamitos and Cypress; with cross cultural and multi-lingual programs helping both women and children overcome many obstacles.

We are proud to contribute to such an important cause in fighting for the good of all women. Any and all donations will be greatly appreciated and can be done so at any of our offices. For more information, you can visit Interval House at www.intervalhouse.org

Free 4D Ultrasound – A Holiday Gift Like None Other!

At 27-32 weeks of pregnancy, we provide a free 4D ultrasound package which includes a DVD set to music, CD with digital photos and a photo album. Other centers charge patients well over \$100.00 for such a service. We are pleased to extend this free offer to our wonderful patients! This is a unique and memorable gift to give to your loved ones!

Please call any of our offices to schedule your appointment.

CWC & Disability Awareness Month

In October, Complete Women Care participated in the Disability Awareness Month's health fair at the Long Beach Convention Center in Long Beach, CA. CWC's representatives performed free bone density scanning. Bone Density scanning is to help determine whether you have osteoporosis or are at risk of osteoporosis. Osteoporosis is a disease that causes bones to become more fragile and more likely to break.

To schedule a bone density appointment, please call our Long Beach office at (562) 424-8422.

Happy Holidays!

Complete Women Care would like to wish you and your families a happy holiday season and a prosperous new year!
