Update on Dr. Leilani Woodson

As some of you may know, our beloved Dr. Woodson is expecting a new bundle of joy to her family. Due to her premature labor signs, Dr. Woodson is no longer working in the office and is focused on getting plenty of rest to extend her pregnancy to full term. We are not quite sure exactly how long she will be out of the office, but she will join us once again sometime in the fall. Please keep her in your prayers for a safe and healthy pregnancy. In the meantime, her patients are more than welcome to see any of our five physicians who are more than happy to take care of you.
