HAPPY NEW YEAR!

New Way To Check Your Lab/Test Results!

As a courtesy to our Patients and to improve the speed and quality of our testing process, our office uses **ResultsCall™** to deliver your confidential Test Results.

Once your results are reviewed, our system will notify you that your test results are available for retrieval. At that time you do not need to call our office to pick up the results of your tests; simply follow the instructions below to access your test results any time of the day or night.

To Access Your Test Results by Phone:

1. Dial the **ResultsCall™** toll-free access number: 877-291-0852
2. Enter your 5-13 numeric digit PIN (this is the number that the staff will give you, OR the PIN you created while registering for the Patient Portal)
3. When prompted for your four-digit date of birth, enter two digits for the month and two digits for the day. (Example: September 4th would be entered 0904)
4. When prompted for your phone number, enter your 10 digit telephone number, which includes your area code. This should be the same number we used to notify you that your results are ready for retrieval.
