**COMPLETE WOMEN CARE IS OPENING AN OFFICE IN MANHATTAN BEACH
10 New OB/GYN specialists will join the community**

Manhattan Beach– October 31, 2019 – Complete Women Care announces the opening of our newest regional OB/GYN office in Manhattan Beach, CA offering better access to specialized OB/GYN services in the city of Manhattan Beach and surrounding areas. The office will have multiple OB/GYN specialists and mid-level providers offering services that include ultrasounds, surgical consultations, in-house blood draws, medication dispensing, pelvic health physical therapy and much more.

Complete Women Care patients benefit from the specialized gynecological care provided by experienced and highly skilled physicians combined with a new approach of delivering healthcare. Our mission is to solve each woman's health needs by immediately providing the highest quality medical care that is why we offer 24/7 emergency care. We also offer a specialized Surgical Center where all medical services are rotated around the patient while minimizing wait times and cost, increasing healthcare quality and providing optimal convenience for all patients.
